

## THE ORGANIZATION

**Feeding Westchester** is looking for people with the passion, courage, and creativity to create meaningful change in the lives of others. Last year, we moved nearly 10 million pounds of food to agencies and partners across Westchester County, including food pantries, soup kitchens, senior centers and schools. Because of that, we supplied 7.8 million meals to children, families, and seniors and mobilized 11,000 volunteers and over \$4 million in donations to help end hunger here. But, the need remains, and we have work to do. **We are looking for talented people to help us change the world for our neighbors in Westchester County. What are you looking for?**
