

CORPORATE FOOD PACKING EXPERIENCE

Corporate Partners are a vital part of our Volunteer Family.

Your business will:

- Utilize the time away from the office to strengthen your team
- Change the way employees think by engaging in projects together
- Leverage your employees' skills and talents to make a difference in the community
- Help us to feed Westchester families in need.

FOOD PACKING SHIFT Weekdays between 9:30-11 a.m. or 12:30-2 p.m.

These are exclusive 1.5 hour shifts that include training, food packing, clean up and a brief tour of our distribution center.

Depending on the need, volunteers either pack produce to be distributed to seniors in need, pack bags of shelf stable food to help feed children, or sort and box donated food that will go to local soup kitchens and food pantries.

Requested donations for these reserved shifts help us purchase food to be distributed

These donations vary based on group size, ranging from:

10-20 people: Investment Level: \$1,500 - \$2,000

30-40 people: Investment Level: \$3,500 - \$4,000

40-50 people: Investment Level: \$4,500 - \$5,000

For larger groups or customized events, please contact
Marissa Madonia, Dir. Corporate Engagement at 914.909.9612

Donate. Volunteer. Find Help. Take Action
