

POSITION: SNAP Associate
DEPARTMENT: Programs
REPORTS TO: SNAP Manager
STATUS: Full-time, Exempt

THE ORGANIZATION

Feeding Westchester is looking for people with the passion, courage, and creativity to create meaningful change in the lives of others. As Westchester County's leading hunger relief organization, we moved nearly 10 million pounds of food to agencies and partners across Westchester County, including food pantries, soup kitchens, senior centers and schools last year. We supplied 8.4 million meals to children, families, and seniors, mobilized 11,000 volunteers, and raised over \$5 million in donations to help end hunger here.

When COVID-19 brought the world to a standstill, Feeding Westchester never closed. Instead, the team mobilized and responded to unprecedented need for food, delivering more than 12 million pounds of food since March! Because of that, kids, families and seniors affected by the pandemic did not have to worry about where their next meal would come from. Though Westchester entered Phase 4 of reopening in July, we know our work is not done. Unemployment continues to rise, as does the need for food. We are looking for talented people to continue our mission to ensure as much food as possible on as many tables as possible for as long as there is need. What are you looking for?
